

50/50 Tax Credit Program

To encourage additional donations to the TPA Tax Credit drive – and reward our families that reach out to their friends and family in support of the drive – this year we will be issuing a voucher for 50% of the amount donated by non-TPA donors that are referred to the school by TPA students or parents. The vouchers may be used to pay for extra-curricular fees and will be valid for 12 months from the date they are issued.

To qualify for the benefit:

- *This must be the **first time** the donor has contributed a Tax Credit to TPA*
- *The donation must be **unrestricted** (cannot be designated to a specific extra-curricular activity)*
- *The donor may **not be the parent** of a TPA student*
- *The student or family name must be listed on the student referral line*
